OK Cancel

- 1) Replace **“ABC Brokerage”** with your brokerage name.
 - 2) Replace **“rsmith@abcBrokerage.com”** with your email address.
Note: the **“Yes”** checkbox, as shown above, would be checked to have all My Proof of Insurance emails go to this specified email address. This would be done when you a testing the format of your eSlips/eDelivery emails.
 - 3) Replace the User ID **“abcBrokerage@csioprd.onmicrosoft.com”** with your ID and password **“xxxxxx”** with your password.
 - 4) Unless advised do not change any **“Advanced”** tab field values.
- To finish, select the **OK** button.

ES0002 eSlip/eDelivery Settings and Logs

Click the **Logs** tab to return to the logs tab where you can see the MASTERCOM daily "System Run Log" and "Sent Messages Log" and to access the eSlips/eDelivery "Sent" log.

To access the eSlips/eDelivery "Sent" log, click the <https://admin.myproofofinsurance.ca> link to sign into "Eslips" My Proof of Insurance portal to display the "Sent" log, as illustrated below.

Sent
