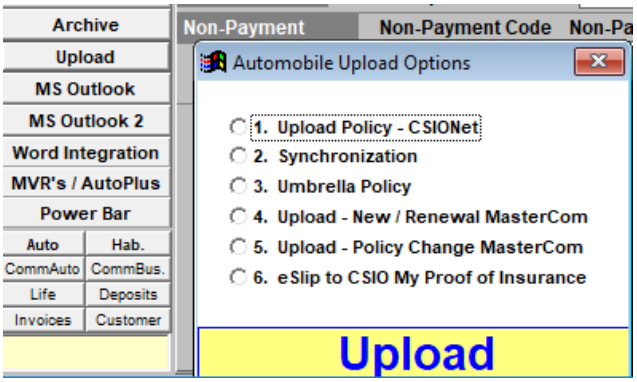
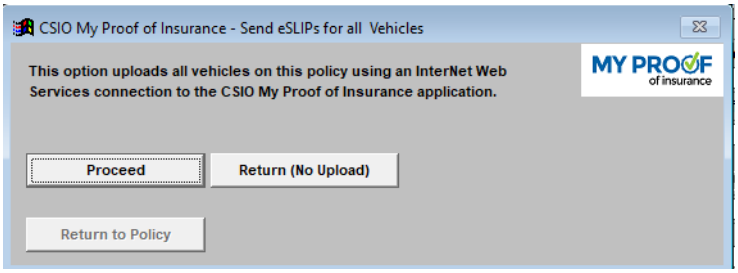
ES0010 Power Broker Steps to Upload an eSlip

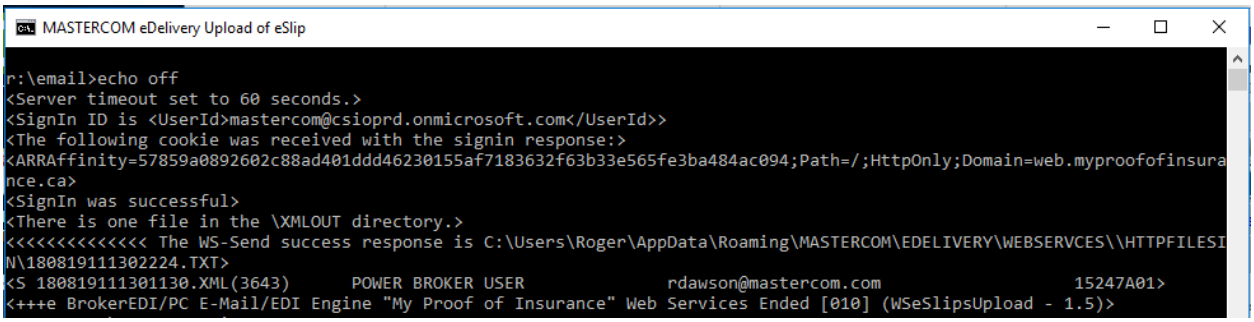
1) Click the "**Upload"** button and then option "**6. eSlip to CSIO My Proof of Insurance**"

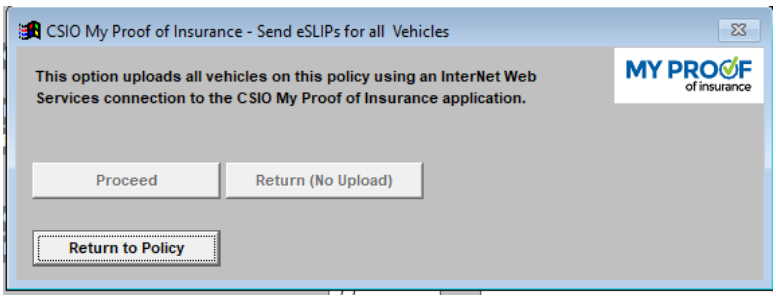


2) Click the "**Proceed"** button



Power Broker invokes the MASTERCOM software to create the XML eSlip file and upload it to CSIO's "My Proof of Insurance" servers.





3) Click the "**Return to Policy**" button
